FLU VACCINES are recommended for **EVERYONE** 6 months of age and older, including healthy adults. IT IS ESPECIALLY IMPORTANT TO GET A FLU VACCINE IF YOU ARE...

- 6 months-18 years old
- 50 years old or older
- Pregnant or just had a baby
- Morbidly obese
- A health care provider
- Living in a nursing home or other long-term care center
- Living with a weakened immune system or with a chronic medical condition (like diabetes, heart disease, or lung disease)
- Living with or caring for someone
 - Under 5 years old
 - 50 years old or older
 - With a chronic medical condition

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities. Reasonable accommodation or other auxiliary aids and/or services may be provided upon request. To ensure availability, you are advised to make your request at least 72 hours prior to the meeting you wish to attend. Due to difficulties in securing Sign Language Interpreters, five or more business days notice is strongly recommended. For additional information, please contact the City of Los Angeles Emergency Management Department at (213) 484-4800 or TTY (213) 978-0463.

This flu event is sponsored by the Los Angeles County Department of Public Health in partnership with the City of Los Angeles
